IT'S THE LITTLE THINGS

Should you decide to have Award Winning Junie Poonie create your bespoke wedding suite, a timeline will be sent to you to ensure that all elements are in place so she can work her creative shizzle in order to produce the most beautiful wedding stationery you ever did see.

---

These timelines will need to be adhered to in order to reduce any additional unnecessary admin, chasing and Poonie Problems ~ of which would be charged for if required.

(Be a good couple, keep poonie happy, fill in your required details & save the additional pennies for the pina colada fund!)

Prior to giving the "PRINT IT POONIE WE LOVE IT!" confirmation, you must ensure that you check, check & triple check all spellings and content is correct as prints will be based upon the confirmation proof you approve.
