Junie Poonie

UNAFRAID TO BE EXTRAORDINARY

ABOUT ME

Junie Poonie is a hopeless romantic with a sharp eye for detail. With her love of being unafraid to be extraordinary when planning and styling along with being a creative and caring soul that puts her whole heart into each and every wedding she creates.

Her attention to detail can often see her floating from one table to the next – ensuring there's not a wonky candle in sight! (Yes, it's a pet hate of hers) but it's also her understanding and experience that knows it's those little touches that do really matter.
